A post-abortion Healing Ministry in the Catholic Church

Project Rachel, the Catholic Church's ministry to those who have been involved in abortion, is a diocesan-based network of specially trained priests, religious, counselors, and laypersons who provide a team response of care for those suffering in the aftermath of abortion. In addition to referring for Sacramental Reconciliation, the ministry provides an integrated network of services, including pastoral counseling, peer to peer ministry, spiritual direction, and referrals to mental health professionals.
